It's been said that,
"Love is the harmony of two souls singing together".
Missourado is evidence of that sentiment. Husband and Wife duo, Jason Heeter and Jessie Schupbach bring together heartfelt lyrics, breathtaking harmonies, and tasteful guitar work to create a unique blend of soulful Indie-Folkgrass from the Prairies to the Mountains and any place between.
In their short tenure as a duo, Missourado has established themselves as a sought after act, gracing the stages of Lower Town Arts & Music Festival, Makanda Vulture Fest, Grateful Bluegrass Festival, and Ivas John's Blue Christmas.
